

December Campaign!

For the 2019 class enrollment,
FREE 20mins chat-session
will be offered during December!

If you are thinking of starting your Japanese study next year, do not wait and let your December go.

We offer you one free chat session in December, if you are starting your study now!

Any level, any contents are welcome!

Make a little preparation this month so you can start 2019 smoothly!

Chat-session type:

A. vocab-expansion

Using a list of vocabulary, we will have simple conversation so you can expand your vocabulary range.

B. grammar-practice

Using a grammar point you would like to practice, we talk about some topics so you can be comfortable with the grammar point.

C. free-conversation

We talk about recent news and seasonal event so you can be confident with small talk.
